The New BMHS

opening Fall 2019

During the 2018-2019 school year we saw the construction of the new BMHS continue on and come to completion. We also witnessed the end of an era with the Memorial Building coming down. The Class of 2019 will not attend classes at the new school, however, they can be proud to say they were the last class to graduate from the "New Addition" of BMHS.

Kaley Patriquin

"Family is the compass that guides us. They are our inspiration to reach great heights, and our comfort when we occasionally falter."

We love you and are incredibly proud of you. Congrats! xo

Conor "Big Mac" McGonagle

From the early years being the catcher in baseball, to the musicals in middle school, and the guy so full of school spirit he just couldn't yell anymore...We were always so proud of you. The best is yet to come!
Love Mom, Da, and Molly

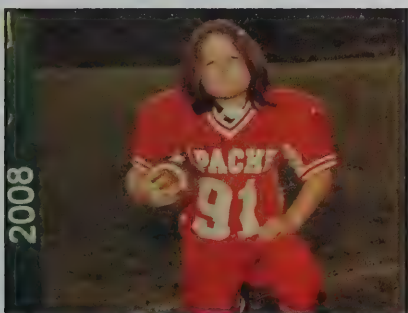

Family Advertisements

Ask any successful person, and most will tell you that they had a person who believed in them... a teacher, a friend, a parent, a guardian, a sister, a grandmother. It only takes one person, and it doesn't really matter who it is.

"So remember to look up at the stars and not down at your feet. Try to make sense of what you see and wonder about what makes a universe exist. Be curious. And however difficult life may seem, there is always something you can do to succeed at. It matters that you just don't give up."
- Stephen Hawking
